Items for Discussion

1. Track/Field Co-op with Okaw Valley

The possibility of a discussion of a co-op of Track/Field with Okaw Valley was introduced. Okaw Valley has also offered to co-op all high school spring sports to expand the co-op activities to baseball and softball as well as track/field. Members and meeting attendees discussed how bussing would work, what the student participation numbers from both districts would look like and who coaches would be. The possibility of sharing coaches was discussed as well as the fact that, at the time of the meeting, CAM does not have a boys track coach after several weeks of posting the vacancy. There was discussion about the importance of informing the stakeholders, including coaches of spring sports, community members, athletes and parents.

Central A&M administration will meet with stakeholders and send a letter of information as well as scheduling a community meeting before the Regular Board meeting on January 26, 2026.
