Speech Contest

November 15, 2025

Congratulations, to the Central A&M Middle School Speech Team!! This season our eighth grade students stepped back into the spotlight. Coach Hilton is so proud of Lily Rund, Tessa Allen, Layla Musick, & Arlo Lawrence for all the time and hard work they each put into speech this season. Lily, Tessa, & Arlo have been competing in speech since their sixth grade year while Layla decided to bring her talents to the table for the first time this year. Unlike other sports these students spend a lot of time practicing and only get one chance to perform. The girls performed a small group skit, Up, Up, & Away by Ken Bradbury. Arlo performed a solo, Vacate by Ken Bradbury. Lily, Tessa, & Layla received a Division I rating for their performance. Sadly, Arlo was not able to perform due to an illness. These students will get to take their acts to the CAM School Board in December for a final performance. Way to go team!!

IT'S A GREAT DAY TO BE A RAIDER

BATTLE FOR THE BLACKTOP

On November 14th the Middle School traveled to Okaw Valley for a Girls Basketball Game. This special midday game took place during the school day and offered a unique opportunity for both schools' student bodies to attend and cheer on their teams. It was a rare chance for our students to compete in front of a big, energetic crowd of their peers—something they'll remember for years to come.
