**Happy Valentine's Day****All About Me...**  
Written by and About  
Nadia Younker

My name is Nadia. My birthday is February 7th, 2013. I am twelve years old. I've been doing art my whole life, and even do hobbies such as sewing and designing. I also love cooking, watching shows, and being myself. I'm known for my art, and intelligence. I love science and math, and may even pursue the two. I have two dogs, two cats, and two chickens. Another fun fact is that my favorite number is 27! I believe everybody should be treated fairly, and I'm working to make that change. I constantly work to make differences and make this world a better place.
