Interview by: Adilee M. & Kyrie V.

Kendyll Welton

Kendyll came to Central A&M in the 1st grade from Shelbyville. She is 14 years old and enjoys Legos, Sports and going to Church. She is active in Volleyball, Basketball, Softball and Track & Field. Kendyll spends her free time reading the Bible and enjoys eating! Her most memorable moments of Middle School are riding the bus with Mia and Nova and just spending time in the presence of Mrs. Hennings. In the future Kendyll plans to serve overseas on a mission trip and is considering a career in Children Ministries. She is looking forward to High School so she can meet new people and hopefully see the Boltz's kids around the Moweaqua Campus.

Kendyll always has a nice word to say and a smile on her face.

TEACHER OF THE MONTH

April's Teacher of the Month goes to... Mrs. Oldham

Whether she is strutting down the hall in her fashion forward wardrobe, exposing young minds to some of the World's greatest authors, keeping the teachers amped with her tantalizing coffee or jamming to the Music Bingo playlist, one thing is for sure...

You can always count on her to show grace, offer a warm smile, assist her students to achieve to the best of their ability and lend a helping hand to her coworkers whenever needed.

You're our ROCKSTAR!!!
